

Part 8 Planning Locations	
Existing N59 route	
Offline/ Link options	

1. The Route Corridor Options indicated on this drawing are indicative and are subject to change. They are a work in progress and could be modified as a result of feedback from consultations, feedback from stakeholders or further investigations such as as environmental or structural surveys.
2. The Route Corridor Options are generally shown as 10m wide corridors. These corridors are indicative only and do not represent the actual width of the proposed greenway development or potential lands acquired.
