

# Appendix 7

## *Emerging Preferred Option*

# 7 EPO

**7.1**

**EPO:**

**Proposal 1**

Location	Length	Width	EPO Option	EPO Description
<b>N5 - Old Dublin Road</b>	250m	19m	Option 4	* Improve carriageway surfacing, signage and road markings
				* Provide cycle tracks in each direction
				* Improve footpath condition along each extent
				* Provide dedicated crossing points
<b>N5 - Lawn Road</b>	850m	20m	Option 4	* Improve carriageway surfacing, signage and road markings
				* Provide cycle tracks in each direction
				* Improve footpath condition along each extent
				* Provide dedicated crossing points
<b>N5 - Humbert Way</b>	1200m	16m	Option 4	* Improve carriageway surfacing, signage and road markings
				* Provide cycle tracks in each direction
				* Improve footpath condition along each extent
				* Provide dedicated crossing points
<b>N5 - Westport Road</b>	1600m	16m	Option 4	* Improve carriageway surfacing, signage and road markings
				* Provide cycle tracks in each direction
				* Improve footpath condition along each extent and provide a continuous footpath.
				* Provide dedicated crossing points
<b>N84 - Station Road</b>	950m	13m	Option 4	* Improve carriageway surfacing, signage and road markings
				* Provide cycle tracks in each direction
				* Improve footpath condition along each extent
				* Provide dedicated crossing points
<b>John Moore Road</b>	500m	15m	Option 4	* Improve carriageway surfacing, signage and road markings
				* Provide cycle tracks in each direction
				* Improve footpath condition along each extent
				* Provide dedicated crossing points
<b>Pavilion Road</b>	300m	15m	Option 4	* Improve carriageway surfacing, signage and road markings
				* Provide cycle tracks in each direction
				* Improve footpath condition along each extent
				* Provide dedicated crossing points
<b>L1704</b>	300m	14m	Option 4	* Improve carriageway surfacing, signage and road markings
				* Provide cycle tracks in each direction
				* Provide a continuous footpath.
				* Provide dedicated crossing points

**7.2**

**EPO: Proposal 2**

Location	Length	Width	EPO Option	EPO Description
<b>N60 - Breaffy Road</b>	1700m	15m	Option 4	* Improve carriageway surfacing, signage and road markings
				* Provide cycle tracks in each direction
				* Improve footpath condition along each extent and provide a continuous footpath.
				* Provide dedicated crossing points
<b>Moneen Road East</b>	1500m	15m	Option 4	* Improve carriageway surfacing, signage and road markings
				* Provide cycle tracks in each direction
				* Improve footpath condition along each extent
				* Provide dedicated crossing points
<b>Moneen Road West</b>	750m	13m	Option 4	* Improve carriageway surfacing, signage and road markings
				* Provide cycle tracks in each direction
				* Improve footpath condition along each extent
				* Provide dedicated crossing points

**7.3**

**EPO:**

**Proposal 3**

Location	Length	Width	EPO Option	EPO Description
<b>Newport Road</b>	1300m	15m	Option 4	* Improve carriageway surfacing, signage and road markings
				*Provide cycle tracks in each direction
				* Improve footpath condition along each extent
				* Provide dedicated crossing points
<b>Lannagh Road</b>	1000m	13m	Option 4	* Improve carriageway surfacing, signage and road markings
				*Provide cycle tracks in each direction
				* Improve footpath condition along each extent
				* Provide dedicated crossing points
<b>Hopkins Road</b>	300m	16m	Option 3	* Improve carriageway surfacing, signage and road markings
				*Provide cycle tracks in each direction
				* Improve footpath condition along each extent
				* Provide dedicated crossing points
<b>Stephen Garvey Way</b>	200m	15m	Option 4	* Improve carriageway surfacing, signage and road markings
				*Provide cycle tracks in each direction
				* Improve footpath condition along each extent
				* Provide dedicated crossing points
				* Improve carriageway surfacing, signage and road markings
<b>Old Westport Road</b>	200m	15m	Option 4	* Improve carriageway surfacing, signage and road markings
				*Provide cycle tracks in each direction
				* Improve footpath condition along each extent
				* Provide dedicated crossing points

**7.4**

**EPO:**

**Proposal 4**

Location	Length	Width	EPO Option	EPO Description
<b>Turlough Road</b>	1000m	15m	Option 4	* Improve carriageway surfacing, signage and road markings
				* Provide cycle tracks in each direction
				* Improve footpath condition along each extent
				* Provide dedicated crossing points
