Access to amenities and facilities

Chapter: Tourism &
Recreation

- Improve access to the river from the Quay area for SUP, kayaks, and rowing boats.
- Develop facilities such as toilets and showers for users of the river at the Quay.
- Increase access points between the Quay and bridges for recreational users.
- Add more floating pontoons at the Quay with recreational water users in mind.
- Provide access for people with disabilities.
- Refurbish the Jetty and allow access to clubs or community groups
- Consultate with stakeholders and users on the development of the Quay
- Engage with experts in watersports to best understand the needs of users
