## Quay Area

**Chapter:** Tourism &  
Recreation

**Topics:** Tourism

A pedestrian and cyclist link to Beleek Woods across the river Moy is the most obvious need to link the town to the Quay village.

We also need to look at traffic control and signage to give the village its own identity.

The dock area needs to be a cornerstone in our use of the river.

It should house

All watersport activity

Restaurant

Coffeeshop

Water Equipment rental

Bicycle rental

Water taxi

We need to establish a docking area near boxes for said watertaxi
